

SOCIAL MEDIA GUIDANCE

Please make sure you tag any posts with the relevant account and the hashtag #SP4NationsGolf and also #parkinsons

The Capitals are important in the hashtag, so that they can be read by visually impaired text to voice conversion software.

Where possible include an original picture or video or a gif.

It is helpful to us even if you are not on social media to send any golf photos you take so that we can promote golf and PD.

Please make sure that any people who are in the photo are happy for it to be used by us.
